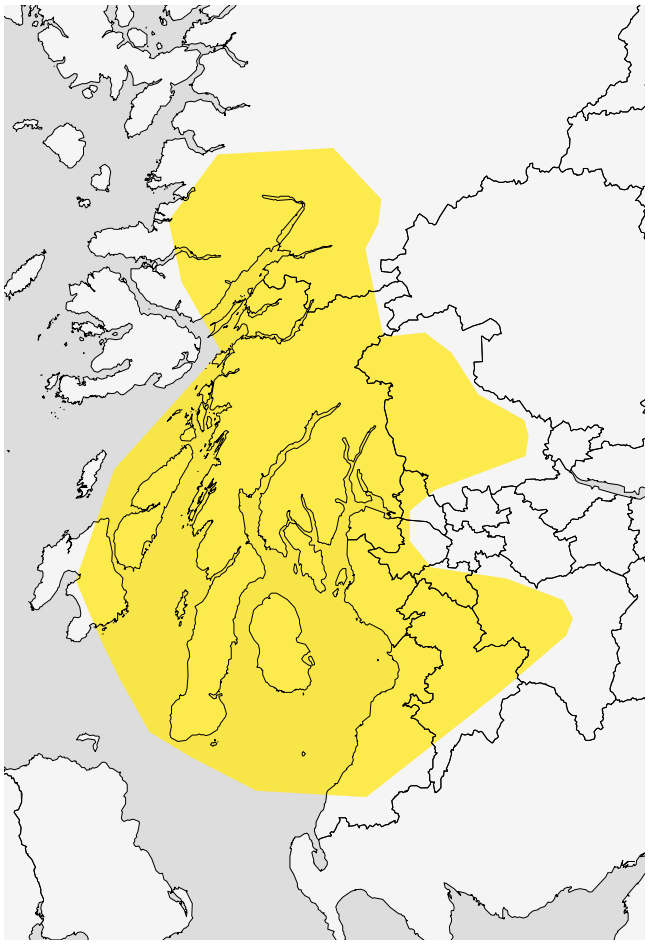
Yellow warning
Rain

Between
03:00 Wed 4 Oct 2023 and
13:00 Wed 4 Oct 2023



Heavy rain may cause some disruption until Wednesday lunchtime

What to expect

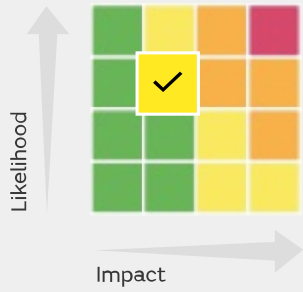
- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is possible
- Some interruption to power supplies and other services possible

Further details

Heavy, and in places persistent, rain is expected to continue through this morning, especially across west-facing hills before easing this afternoon. 15-25 mm of rain is expected to fall quite widely across the warning area, perhaps 40-50 mm over the southern Highlands.

Reason for update

Persistent rain is expected to end earlier today with the warning end time brought forward to early afternoon and the impact level reduced. Parts of the Central Belt have been removed.



Medium likelihood of low impacts
